Overview of the TheFund.io Bounty Campaign

Bounty Hunter

TheFund.io will use the internet platform Bounty Hunter to conduct the Bounty Campaign.

Bounty Hunter is an internet platform created for bounty hunters and organizers who are conducting their ICOs. This platform is intended to make the communication process simple and clear, and increase the efficiency of interactions between parties.

Reports will also be accepted via the BitcoinTalk forum, Bounty TheFund.io.

Overview of the Bounty Campaign

TheFund.io Bounty Campaign is an opportunity to receive tokens from TheFund.io project in reward for advertising actions, without involving a personal investment.

The Bounty Campaign will receive 2.5% of the total number of tokens sold. The minimum required to implement the campaign is 304,000 and the maximum possible budget is 4,500,000 tokens, which will help promote the project on social networks and engage the public. To receive a reward in the form of tokens, investors must fulfill the basic and additional conditions supplied by the companies.

The Bounty Campaign starts on October 10, 2018 and lasts until April 28, 2019. This period may change in the event the allocated budget is exhausted.

Stage 1 of the Bounty Campaign lasts two weeks. There will be 14 periods in total.
